About

Ryan Construction is based in Truckee, CA and is licensed in California and Nevada. Since 1979 we have been contracting, managing, and building residential and commercial projects of different sizes and scopes in Truckee, the Tahoe Basin, Reno, Carson City, and surrounding areas.

Our team includes a group of outstanding individuals dedicated to cutting-edge building science, fine craftsmanship and building structures and relationships.

Cabinet Installer/Fabricator

We are seeking an experienced and detail-oriented Cabinet Installer/Fabricator. The Cabinet Installer/Fabricator is responsible for the professional and precise installation of kitchen cabinets, bathroom vanities, built-ins, and other custom cabinetry in residential and commercial settings. This position will require some cabinet building/fabrication and will be a split between shop time and on-site installations. This role requires a strong attention to detail, the ability to read and interpret construction plans, and skilled craftsmanship in finish carpentry. The Cabinet Installer/Fabricator works closely with Superintendents, other trades, and clients to ensure that all finish carpentry aspects meet the highest standards of quality, design specifications, and client satisfaction.

The Cabinet Installer/Fabricator will play an important part in constructing the up-and-coming neighborhoods in the region. Many of Ryan Construction's previous projects feature multi-million-dollar builds including high-end lakefront custom homes as well as numerous custom homes in Martis Camp, Lahontan, & Schaffer's Mill.

Join a close-knit crew who works together to complete beautiful homes in a world-renowned destination – the Sierra Nevada Mountains only 20 min from Lake Tahoe.

Please reach out if you have any questions about this position. We look forward to meeting you!

Job Responsibilities and Duties:

- Install cabinets, vanities, and custom millwork according to specifications and blueprints
- Fabricate and assemble custom cabinets, doors, and drawers
